Participant Nr.:

Field Journal

CONSENT FORM

Voluntary Nature of the Study / Confidentiality:

Participation in this study is entirely voluntary. You may refuse to continue at any point without giving reasons. You may ask the researcher any questions about the research and the study. You may decide not to answer the questions or ask for your data to be withdrawn.

Your names will never be connected to the research results; a pseudonym will be used for identification purposes. Information that would make it possible to identify any participant will not be included in any sort of report, or disclosed outside the project unless explicitly granted — below you can choose whether we for instance may utilise any pictures where you may be recognized.

Consent t	o Participate									
I,			(print name)							
agree to pa	agree to participate in this research project.									
I have had the purposes of the study explained to me. I have been given the opportunity to ask questions about the study and have had these answered satisfactorily. I have been informed that I may refuse to participate at any point by simply saying so. I have been assured that my confidentiality will be protected. I agree that the information that I provide can be used for educational or research purposes, including publication, with my personal data being handled confidentially (privacy).										
(please ma	ark below) O do O do not agree that still images sentations and publica									
I understand that if I have any concerns or difficulties I can contact: Fauziah Permatasari (fauziah.permatasari@uni-weimar.de)

TASK Evening routine

Describe briefly the details of the setting and how the interactions went. Beschreiben Sie kurz die Details der Setting und wie die Interaktionen verlaufen sind.

What was the interaction's implication to your day afterwards? Welche Auswirkungen hatten die Interaktionen auf Ihren Tag danach?

What question/tension/interpretation emerged from the interaction? Welche Frage/Spannung/Auslegung ergab sich aus der Interaktion?

NATE	

TASK Evening routine (cont.)

Please rate between 1 to 7 (with 1 as the lowest and 7 as the highest), what you felt **before** the interaction. **Only one basic emotion** can be picked (e.g. "Happy, $4 \ \Box$ ").
